Application Information

All applications must be received by February 15, 2020. Please contact Pamela Zeid at the Skokie Park District, (847) 674-1500, ext. 2715 before that date should you need more information. Selection and confirmation notices will be mailed by March 15, 2020. Notification date is subject to change due to deadline extension if necessary.

Eligibility

Skokie's Festival of Cultures will focus on the cultures represented within the wide ethnic diversity of Skokie, including Asian, African-American, European, Filipino, Hispanic, Native American, Indian, Jewish and interfaith groups. Applications will be accepted from artists, not-for-profit organizations, food vendors, restaurants and businesses.

Selection Criteria

The Skokie Festival of Cultures Committee will select food vendors that best represent Skokie's cultural diversity. Decisions will be based on a completed application, menu selection, quality, pricing, ethnicity and prior participation in the Skokie Festival of Cultures event with priority given to Skokie-area restaurants. The committee reserves the right to limit food items to a single vendor and to request additional information on menu items, ingredients, etc.

Mandatory Food Vendor Meetings

All food vendors are required to attend a mandatory meeting with the Skokie Health Department and the Skokie Festival of Cultures Food Vendor Committee at 6 p.m. on Monday, May 11, 2020. The meeting will be held at the Oakton Community Center, 4701 Oakton Street, Skokie and will begin promptly at 6 pm. This meeting is mandatory. Failure to attend this meeting may invalidate your permit for the event. Please note: Any food vendor without previous outdoor festival experience may also be required to attend a separate meeting with the Skokie Health Department officials at a date, time and location arranged by the Health Department.

Vendor Fees*

Booth Fee: \$500/2 days
Clean-Up Bond/Security Deposit: \$200/refundable after event
*NO FEE REQUIRED WITH APPLICATION.
Upon notification of acceptance, the food vendor fee and clean-up bond/security deposit MUST be received within 10 days of the date on the notification letter. Failure to submit the required fees by the deadline will result in the forfeiture of acceptance. Withdrawal of application once acceptance and fees have been confirmed and received will result in the forfeiture of all fees paid.

Application Requirements

Food Vendors must complete the Skokie Festival of Cultures application form and obtain a temporary food permit from the Village of Skokie Health Department. Menus, ingredient information and price lists must be submitted at the time of application. Any changes to menu after acceptance into the festival must be approved by the Skokie Festival of Cultures Committee. Menu items should reflect the ethnic theme of the festival.

Temporary Food Permit

At 10 a.m. on both days of the Festival, a Skokie Health Department Sanitarian will begin inspecting food vendor booths for compliance with all applicable health and food safety requirements. Once all requirements are satisfied, a Temporary Food Permit will be issued and the vendor will be allowed to operate. The Temporary Food Permit must be posted and visible for the duration of the event. The Skokie Health Department will conduct spot inspections throughout the event to insure compliance and reserves the right to revoke the Temporary Food

Permit of any food vendor who is found to be in non-compliance with the health and food safety requirements set forth. No refund of fees will occur in these circumstances.

Certificate of Insurance

All food vendors will be required to furnish the Skokie Festival of Cultures with a copy of Certificate of Insurance with coverage for comprehensive liability and property damage (\$1 million minimum) naming the Skokie Park District, Village of Skokie, Skokie Public Library and Skokie Rotary Club as additional insureds and insurance form 2026 no later than May 1, 2020.

Clean-Up Bond / Security Deposit

All booths serving or preparing food are required to post a \$200 Bond Fee to ensure proper clean-up of the area. This bond must be submitted along with your contract and booth fee. The bond will be refunded, less any clean-up fee assessed by the Compliance Committee during their site inspection the day after the event. Organizations whose areas are noted as requiring clean-up at the time of the inspection will be charged regardless of any cleaning done after the inspection.

Booth Information

Food Vendors will be supplied with electricity (20 amps per booth), a covered 10' x 10' work station, and a hand washing station. Food Vendors must supply their own tables, chairs, extension cords and supervision for all items being sold. Food vendors requiring additional electricity will be assessed an additional fee. Spaces are assigned by the Festival of Cultures Committee, subject to the above conditions. Assignment of all spaces is final. Vendors are responsible for the cleanliness of their area. Security will be provided on Saturday night; however, you are fully responsible for your items throughout the weekend.

Booth Flooring - Each vendor must supply a 1/2" plywood board for use under their cooking areas.

Naming of Booth - The booth name will be that of the restaurant.

Electricity

Each booth comes equipped with electricity (20 amps). You must provide your own lights. A form is included for those vendors needing additional electricity - prior arrangements must be made! If you experience any electrical problems in your booth, report directly to Festival Operations. If overload/problem is related to vendor overload or equipment defect, vendor will be charged for the call. All plugs and extension cords must be grounded. All non-grounded outlets/plugs will be disconnected!

Beverage Items

Food Vendors are not permitted to sell any alcoholic, soft drink beverages or bottled water.

Menu Pricing & Portions

It is recommended that a "taste portion" of one menu item be served for \$2. Be prepared to serve large quantities quickly and efficiently so that lines can be avoided. We are predicting over 25,000 people will attend the 30th Annual Skokie Festival of Cultures. The committee reserves the right to limit food items to a single vendor and to request additional information on menu items i.e. ingredients, etc.

At other times they are to be broken down to assure easier pick-up. Vendors must supply their own garbage containers and plastic bags for their location.

Water Service

Water will only be available at designated locations indicated on the site map. You will need to provide your own containers for transport.

Sewage

Vendor is liable for all damages caused by vendor for any reason whatsoever. Skokie Festival of Cultures assumes no liability and makes no warranties including, but not limited to, the preparation of food and the condition of the booths.

Grease and Charcoal Removal

Nightly Clean-Up Instructions

You MUST clean the inside of your booth space of all litter such as cups, napkins, etc. Booths will be monitored during and after the event to ensure compliance.

Compliance Committee

A Compliance Committee has been formed and will be on site during the event. Spot inspections by Health Department staff will be held throughout the event. You will also be given a report card that will be turned in to Skokie Festival of Cultures at the end of the event.
